- B. The Use of Assistive Devices
- C. The Use of Guide Dogs, Service Animals and Service Dogs
- D. The Use of Support Persons
- E. Notice of Service Disruptions
- F. Training
- G. Notice of Availability and Format of Required Documents
- H. Customer Feedback

A. The Provision of Goods and Services to Persons with Disabilities

Kids & Company will make every reasonable effort to ensure that its policies, practices and procedures are consistent with the principles of dignity, independence, integration and equal opportunity by:

- ensuring that all customers receive the same value and quality;
- allowing customers with disabilities to do things in their own ways, at their own pace when accessing goods and services as long as this does not present a safety risk;
- using alternative methods when possible to ensure that customers with disabilities have access to the same services, in the same place and in a similar manner;
- taking into account individual needs when providing goods and services; and
- communicating in a manner that takes into account the customer's disability.

B. Assistive Devices

Customer's own assistive device(s):

Persons with disabilities may use their own assistive devices as required when accessing goods or services provided by Kids & Company.

In cases where the assistive device presents a safety concern or where accessibility might be an issue, other reasonable measures will be used to ensure the access of goods and services. For example, where elevators are not present and where an individual requires assistive devices for the purposes of mobility, service will be provided in a location that meets the needs of the customer.

### C. Guide Dogs, Service Animals and Service Dogs

A customer with a disability that is accompanied by guide dog, service animal or service dog will be allowed access to premises that are open to the public unless otherwise excluded by law. “No pet” policies do not apply to guide dogs, service animals and/or service dogs.

#### Exclusion Guidelines:

If a guide dog, service animal or service dog is excluded by law (see applicable laws below) Kids & Company will offer alternative methods to enable the person with a disability to access goods and services, when possible (for example, securing the animal in a safe location and offering the guidance of an employee).

#### Recognizing a Guide Dog, Service Dog and/or Service Animal:

If it is not readily apparent that the animal is being used by the customer for reasons relating to his or her disability, Kids & Company may request verification from the customer.

Verification may include:

- a letter from a physician or nurse confirming that the person requires the animal for reasons related to the disability;
- a valid identification card signed by the Attorney General of Canada; or,
- a certificate of training from a recognized guide dog or service animal training school.

#### Care and Control of the Animal:

The customer that is accompanied by a guide dog, service dog and/or service animal is responsible for maintaining care and control of the animal at all time.

### Allergies:

If a health and safety concern presents itself for example in the form of a severe allergy to the animal, Kids & Company will make all reasonable efforts to meet the needs of all individuals.

### D. Support Persons

If a customer with a disability is accompanied by a support person, Kids & Company will ensure that both persons are allowed to enter the premises together and that the customer is not prevented from having access to the support person.

There may be times where seating and availability prevent the customer and support person from sitting beside each other. In these situations Kids & Company will make every reasonable attempt to resolve the issue.

In situations where confidential information might be discussed, consent will be obtained from the customer, prior to any conversation where confidential information might be discussed.

### Admission Fees:

If payment is required by a support person for admission to the premises Kids & Company will ensure that notice is given in advance by posting notice of admission fees for support persons where Kids & Company fees are posted.

### E. Notice of Disruptions in Service

Service disruptions may occur due to reasons that may or may not be within the control or knowledge of Kids & Company. In the event of any temporary disruptions to facilities or services that customer's with disabilities rely on to access or use Kids & Company's goods or services, reasonable efforts will be made to provide advance notice. In some circumstances such as in the situation of unplanned temporary disruptions, advance notice may not be possible.
