

# Cereal Sensory Fun!

**Cereal is a simple sensory activity for Infants & Toddlers!**

## **Materials Needed:**

- ✓ Cheerios
- ✓ Shallow sensory bin
- ✓ Small bowls, spoons & cups

**Directions:** Using a shallow sensory bin and a few small accessories, to fill and dump. Cheerios and Wheat Puffs are a wonderful option and provide a variety of shapes for your little explorer. Place your sensory invitation on the floor for your child to investigate, climb in and learn as they play. Demonstrate how to scoop up the cereal and pour it into different sized containers.

**Learning Value:** This activity promotes development and learning by encouraging your child to focus on their fine motor and tactile skills while they explore the materials provided.
