

# Frozen Pom Pom Play

**A fun sensory activity for all ages!**

## **Materials Needed:**

Pom Poms  
Ice Cube Tray  
Water

**Directions:** Create a fun sensory activity by freezing a variety of coloured pom poms in various sizes. Once frozen add the cubes to a shallow sensory bin for your child to explore. Add bowls, tweezers, scoops and spoons for your child to pull out the pom poms, sort, count and play with.

**Learning Value:** This fun sensory activity develops fine motor skills as well as language development.
