

# Rainbow Music Shaker

**Repurpose a simple item for hours of fun  
Infants & Toddlers!**

## **Materials Needed:**

- ★ Clean water bottle
- ★ Pom poms
- ★ Rice
- ★ Ribbons

**Directions:** Create this fun musical instrument with a clean water bottle with a lid. Have your child push in approximately 10 pom poms and add 1/2 cup of rice to create a fun sound. Add a rainbow ribbon lid by making a hole in the lid with a screwdriver, then threading the ribbons through the hole. Use approximately 6 colours to create the rainbow ribbon effect and secure with a knot on the inside of the lid.

Secure the lid and invite your child to shake and explore their colourful instrument.

**Learning Value:** This activity promotes learning by encouraging your child to focus on their fine motor and language skills while they explore with this repurposed item.
