

Recipe for

Ice Cream in a Bag

FROM THE KITCHEN OF
Kids & Company

INGREDIENTS

1/2 cup Heavy Cream/Milk

2 1/2 tsp Sugar

1 tsp. Vanilla

Ice

Coarse Salt

Zip Lock Bags

DIRECTIONS

Place the cream, sugar and vanilla into a tightly sealed ziplock bag - squeezing out the air as you seal. Then put this into another tightly sealed sandwich bag. Fill a gallon size resealable bag half-way full of ice cubes, and mix with 6 tablespoons of coarse kosher salt. Then put the sealed sandwich-size bag into the middle of the ice, and seal the larger bag. To make the ice cream, get moving! You need to shake the bag for about 5-10 minutes. Open up the inner bag and enjoy!
