

# Recipe for

## Rainbow Toast

FROM THE KITCHEN OF

**Kids & Company**

INGREDIENTS

Bread

Milk

Food Colouring

Butter

DIRECTIONS

To make painted toast you will need to make milk paint. Milk paint is 1/4 cup of milk with a few drops of food colouring mixed in to reach your desired colour. Set your supplies out and allow your child to get creative with the milk paint, clean paint brushes and white bread. Once your child is happy with the design pop the bread in the toaster. Once done - butter lightly and enjoy!
