

Recipe for

Taste Safe Moon Sand

FROM THE KITCHEN OF

Kids & Company

INGREDIENTS

2 cups of brown sugar

2 cups of corn meal

10 tablespoons vegetable oil

DIRECTIONS

Mix the dry ingredients together first then add the oil. This sensory recipe will create a moldable substance to add playdough tools, sand toys, moulds and cookie cutters to a shallow bin for exploration. Your child can build and scoop this sweet smelling sensory activity.

Store in a sealed container for future play.
