

Recipe for Washable Window Paint

FROM THE KITCHEN OF
Kids & Company

INGREDIENTS

1 cup of all purpose flour

1 cup of water

1 cup of low foam dish soap

DIRECTIONS

Mix all the ingredients in a large bowl until the lumps are dissolved and the mixture resembles a runny custard or sauce. Separate the mixture into small containers and into each one add a very small amount of gel food colouring, stirring it through constantly to mix completely. Provide your child with painting tools and encourage them to paint and create on a window or patio door. This painting experience is easily cleaned using warm water, a sponge and paper towel.
