

Repurposed Fun!

Repurpose a simple item for hours of fun for Infants & Toddlers!

Materials Needed:

- ★ Clean water bottle
- ★ Straws

Directions: Provide your child with a cleaned out used water bottle and straws that are cut to fit inside. Allow your child to explore and place the straws inside the bottle. Once the bottle has been filled, dumped and filled again screw the lid on for your child to experience a new activity - shaking the straws and listening to the sounds they are creating.

Learning Value: This activity promotes development and learning by encouraging your child to focus on their fine motor and language skills while they explore with this repurposed item.
