

# Water Painting!

**Water painting is a simple clean activity for Infants & Toddlers!**

## **Materials Needed:**

- ✓ Water
- ✓ Construction Paper
- ✓ Paintbrush

**Directions:** Provide your child with a piece of construction paper, a small cup of water and a paint brush. Show your child how to wet their brush by dipping it into the water and then creating 'marks' on their paper. Your child will be fascinated when their 'marks' disappear as the water dries. Provide a variety of sized brushes to extend their play.

**Learning Value:** This activity promotes development and learning by encouraging your child to focus on their fine motor and observation skills while they explore the materials provided.

**Guaranteed Learning!**
